

50th Anniversary of the British Mass Spectrometry Society

50 YEARS of a vibrant community

BMSS EDUCATION - 14 years of MS training courses, 3 years of sponsored lecture tours, wide ranging outreach projects bringing MS into the community

BMSS INVESTING IN THE FUTURE - £1000s spent annually supporting student and doctoral travel and providing grants to aid pilot research projects

BMSS CONFERENCES - Annual meetings, Special Interest Group colloquia, co-hosting of interdisciplinary meetings in areas including proteomics and clinical applications

BMSS COMMUNICATION - Mass Matters is BMSS' official printed publication reporting on UK MS news and featured scientific articles. The website (www.BMSS.org) provides the latest information on upcoming meetings, BMSS activities, heritage archive

BMSS cordially invite you to join us at ASMS 2014 on the evening of Tuesday 17th June for a workshop where we will highlight UK MS research and celebrate the achievements of British mass spectrometrists.
